

## THE BACKROW

KENTUCKY VOLLEYBALL BOOSTER PROGRAM

The support of the Kentucky Volleyball program has grown leaps and bounds since I arrived in 2005. We would not have reached the goals that we have without the people - the BBN. This support happens in the stands, on social media, and in the community. As the sport of volleyball grows, so too does our reach to the fans. We need YOU to help push us to the next level!

As we enter the 2022 season you will be impressed by the growth this team has made since you saw them in December. Our newcomers will make waves and our returners will lead our charge. Come join us in our journey this year and beyond - I promise that it will be worth your time. Meet our student-athletes and staff in addition to other volleyball fans. Your continued support of Kentucky Volleyball is one of our biggest motivators and we will work to be our best every day with you behind us.

Thank you for your consideration!
